1 JUDGE BISSELL: I'm reopening  
2 proceedings in the case of Joseph Carter, docket  
3 number 08-130.

4 This opinion/report is being issued  
5 pursuant to the directives of the Order of Reference  
6 to a Special Master and the Special Master's  
7 Agreement and the guiding principles of law which  
8 underlie this decision to be applied to the facts  
9 upon which it is based as set forth in the jury  
10 instructions in the Walker and Mejias jury charges to  
11 the extent applicable to the allegations of Mr.  
12 Carter.

13 As finalized after review under Local  
14 Civil Rule 52.1, this transcript will constitute the  
15 written report required under paragraph seven of the  
16 Order of Reference to a Special Master.

17 Joseph Carter testified that he was  
18 housed in Trailer Number Two at Bayside State Prison  
19 on the day that particular unit was searched and in  
20 which there was a movement of prisoners to the gym.  
21 The record establishes that that was August 11th,  
22 1997. He alleges that there were three assaults  
23 committed upon him in the course of that day. To  
24 paraphrase them briefly, he said that one of them  
25 occurred in the dayroom of Trailer Number Two where

October 27, 2009

Page 5

1 he was made to lie on top of another inmate and when  
2 that inmate could no longer support his weight and  
3 both of them tumbled to the floor, they were both  
4 assaulted by corrections officers apparently  
5 witnessing this for sport.

6 The second assault to him he alleges  
7 occurred in the back of the gym when he was in a  
8 situation where he could not tolerate the position in  
9 which he was sitting. He said several officers took  
10 him to the back of the gym and then proceeded to beat  
11 him back there, even though there were Internal  
12 Affairs personnel and administrative personnel in the  
13 vicinity, at least slightly outside the door to the  
14 gym. And despite that, he claims that this beating  
15 was administered to him at that time and place.

16 He alleges that a third incident  
17 occurred around the side of Center Control where,  
18 after his session in the gym, he was put up against  
19 the wall. He received multiple beatings and  
20 kickings, and among other things, there was a dog  
21 there with him from the K-9-unit who was released and  
22 bit him on the calf and gave him puncture wounds on  
23 his calf.

24 However, evidence to the contrary,  
25 including testimony from his own deposition,

October 27, 2009

Page 6

1 demonstrates that at the very least Mr. Carter has  
2 failed to sustain his burden of proving the claims  
3 which he asserts.

4 In his deposition he specifically  
5 stated that he had not been assaulted in the gym,  
6 and, certainly not to the satisfaction of this finder  
7 of fact, could he explain the discrepancy between his  
8 testimony before me in this court in June of 2009 and  
9 the contents of his deposition. Cross-examination  
10 reflecting that discrepancy appears at page 58  
11 through 60 of the testimony before me on June 17th,  
12 '09.

13 Also, in the course of his deposition  
14 he had stated that, as far as any assaults in the  
15 unit were concerned, they were basically minor prods  
16 and hits, and it only happened to him twice until he  
17 was outside of the unit going to the gym. His  
18 deposition made no reference to the incident on the  
19 floor with the other inmate, and, once again, he had  
20 no good explanation for this discrepancy between his  
21 deposition testimony and his testimony at trial. The  
22 examination that points out those discrepancies took  
23 place before me between pages 62 and 65 in the  
24 June 17th transcript.

25 Finally, as far as the attack and

October 27, 2009

Page 7

1 biting by the dog is concerned, I determine that that  
2 essentially is fantasy and could not have been as he  
3 described it. Officer Ruiz testified here yesterday  
4 that he was the one who had the Rottweiler that was  
5 present on the premises. My recollection is that Mr.  
6 Carter testified that it was that type of dog that  
7 was brought into play.

8 In any event, Officer Ruiz testified  
9 not only did this not happen or ever occur while he  
10 was on the premises (virtually on a daily basis)  
11 throughout the lockdown with his Rottweiler, but it  
12 could not have occurred based upon the manner in  
13 which the dogs are employed. Among other things, the  
14 officer testified, and I believe credibly, that he  
15 would not release a dog upon a group of people. In  
16 this instance by the recounting of Mr. Carter  
17 himself, he was in the course of being beaten by  
18 corrections officers along this wall on the side of  
19 Center Control. Hence, there were at least three of  
20 them, if not more, in close proximity to each other.  
21 As Officer Ruiz testified, the dog is not in a  
22 position to distinguish between one person and  
23 another. Accordingly, since the dog would only  
24 attack on command and would only be able to come into  
25 contact with persons upon being released and ordered

October 27, 2009

Page 8

1 by Mr. Ruiz, he would never have done such a thing.

2 The dog could have focused his attention on any of  
3 the three people allegedly involved.

4 Secondly, this dog, and K-9 dogs  
5 generally administered by SOG officers trained for  
6 this type of duty, would not merely bite and release  
7 a person, such as Mr. Carter characterized the bite  
8 to his calf, but would bite and hold until ordered by  
9 its handler to release the person. There is no such  
10 testimony even by Mr. Carter that this is what  
11 occurred to him. Nor, once again, would there have  
12 been any reason for this.

13 Finally, Mr. Carter testified at least  
14 during one portion of his journey on August 11th that  
15 there was a mixture of SOG and Bayside officers  
16 involved in his transport and assault. The record  
17 reveals, however, quite clearly, that all of the  
18 transport duties which would have occurred on this  
19 day, as they did with others involving persons taken  
20 from the units so those units could be searched, were  
21 done by SOG officers only.

22 To summarize briefly, I find Mr.  
23 Carter's testimony before me not credible and refuted  
24 by credible and competent evidence to the contrary.  
25 And accordingly, I find that he has not sustained his

October 27, 2009

Page 9

1 burden of proof by a preponderance of the credible  
2 evidence before me.

3 Finally, although not every item of  
4 evidence has been discussed in this opinion/report,  
5 all evidence presented to the Special Master was  
6 reviewed and considered.

7 For the reasons set forth above, I  
8 recommend in this report that the district court  
9 enter an order and judgment of no cause for action  
10 with regard to Joseph Carter.
